Dr. and Mrs. Harold A. Lett
87 Spruce Street
Newark, New Jersey

Dear Dr. and Mrs. Lett:

This letter will confirm the understanding we have reached concerning the services you will be rendering us in the development of a program to achieve racial integration in the Levittown, New Jersey community.

We will, of course, pay all your expenses; and we hand you herewith our check for \$500 on this account. You may call on us for additional funds, if required; and you have indicated that you will render a final accounting of expenses when it is appropriate to do so.

Your compensation itself has been left temporarily undetermined in amount. In working this out, there will be considered the time and effort you put into the program, your stature as recognized leaders in the field, and the value of your services to us. You may at any time request that a definite amount be fixed and paid, either on an interim basis or at the end of the entire project, as you choose.

Sincerely,

IGG:fg
